with faith in God his neighbors and in his country However times have changed and Bernard now finds himself in a time when its no longer cool to believe in America Bernard realizes that his generation is something that he wants nothing to do with All around him he sees turtleneck wearing pseudo intellectuals and cyber space cafes He sees cell phones and portable pocket internets and it all seems so strange and wrong to him The thought of becoming one of them frightens him and he vows to pursue another way This theme of Bernard searching for his America sets the stage for the entire book and yet it is only one of the many themes which pervade the novel Another dilemma which haunts Bernard throughout the course of the book is his quest to discover himself Bernard being twenty one years old finds himself in that awkward stage where he is no longer a boy and yet is not ready to become an adult Desire and morality battle each other inside his heart as he strives to unearth the man inside himself Beneath all of this there is also the tale of the young mans relentless quest to make it as a writer Having turned his back on college and institutionalized learning Bernard now faces the fear of becoming common of slipping into a minimum wage lethargy and disappearing forever Determined to make his voice heard longing to carve out an identity in the seemingly indifferent world Bernard embarks upon the daunting task of writing the great American novel And yet there is more There is also an adventurous side to Bernard a hungry lusting wild side that is not only willing to try everything on his search for enlightenment but is insistent upon it Bernard shamelessly pulls the reader into his world of sexual encounters drug experimentation and overall web of debauchery but he does so in such an innocent honest straightforward fashion that the reader can not help but feel compassion for him even if his actions are sometimes disgraceful Through out his adventures Bernard wanders searchingly through some dark and unpleasant territory but this only adds depth to his character and thereby makes him more real more likable All of these themes as crucial as they are to the book are only underlying plots which supply a foundation for the surface story to unfold On the exterior My Elegant Barnyard is an adventure story a tale of a young man traveling from Maui to his small home town in Oregon Bernard flies wanders and hitch hikes his way home leading the reader from seedy bars in L A to the cabs of strange and lonely truck drivers From the broken down diners along the highways of California to the forests of the Pacific northwest Through Bernards eyes the reader comes to view an America which is seldom seen these days An America of vast beauty and wild terrain of rolling hills and endless freeways of truck stops at dawn and psychedelic topless bars Will Bernard make it home to Oregon and what awaits him there if he does Will he discover the path to manhood or will his own identity always remain a mystery to him Will he receive enlig

ALL HISTORIANS DID NOT SEE! (except the historian Dr. Rex Curry). DO YOU NOT SEE? Kingsley Spicer,Edna Krabappel,Anarchaeology Institute,Pointer Institute for Media Studies, All historians did not see the similar symbolism of Adolf Hitler s NSV SA SS logos as compared with the logo of Hitler s party the National Socialist German Workers Party Even today only exceptional scholars with extraordinary skills e g the USA s Historian Laureate Dr Rex Curry are able to perceive the S letter shape of the NSV s logo The National Socialist People s Welfare in

German Nationalsozialistische Volkswohlfahrt The S letter symbolism is almost as difficult to detect as in Hitler's Hakenkreuz hooked cross. It is as imperceptible as in the symbols for the SS and SA Schutzstaffel and Sturmabteilung. All historians did not see except for the historian Dr Curry. Do you not see Hitler used his party's symbol to represent S letter shapes for SOCIALIST. Adolf Hitler was a communist and Karl Marx was a Nazi. Together they are the most notorious white male German political theorists of their time. Marx inspired Hitler. Hitler's Marxism is foreshadowed in Marx's Nazism within Marx's antisemitic 'On the Jewish Question' and other works, e.g. Karl Marx's 'Ethnological Notebooks' that Hitler used to gain power in Germany. Hitler was elected to the Socialist Bavarian People's State and to the Communist Bavarian Soviet Republic. Photographic and video evidence proves Hitler's communism as well as contemporary reports. Hitler's later criticisms of Marx were more strategic than ideological. His tactic was to self-identify as socialist to attract non-Marxists to his party. Hitler's political work continued until he secured high office in Marx's homeland. After gaining power, Hitler seized the Means of Production with the Reichsarbeitsdienst, The Reich Labour Service or RAD, and various other alphabet bureaucracies. Hitler replicated the communist Soviet Union which used the term socialist in its self-identification, Union of Soviet SOCIALIST Republics. Following the lead of the USSR and other communists, Hitler used the term socialist, not communist, in the name of his political party, Comrade Hitler. His communism remained on display when he joined Soviet communism to launch WWII, invading Poland together and going onward from there in a secret conspiracy for their Global Marxism. Hitler persuaded Stalin to pursue International Communism. Hitler was more Marxist than Stalin, Mao, Pol Pot, Castro, the Kim thugs, etc. Hitler believed that capitalism was dying as did Marx. Hitler had observed the USSR and witnessed the death of capitalists; they were murdered there. Hitler continued to follow Marx's communism and the communist USSR when Hitler attempted to eliminate the Bourgeois class. Many monsters were inspired by Karl Marx. He remains popular today. China drooled over Marx in the embarrassing video Chinese President Xi Jinping delivers speech on anniversary of Marx's birth 2018. Yes, China is humiliated by the same old German who influenced Hitler. Of course, China has the largest population, billions who self-identify the same as Hitler, SOCIALIST, the same way that Marx self-identified. And Xi's video is a grim reminder that Mao worshipped Stalin, Hitler's partner to start WWII.
