

The image features a close-up of a man and a woman in formal wear about to kiss. The man is on the left, wearing a grey suit, and the woman is on the right, wearing a dark top and a gold necklace. Below this, a scene from a movie is overlaid, showing a man in a dark suit walking on a porch of a large, white, classical-style house. The porch has white columns and a white sofa. Other people are visible in the background of the movie scene.

Ferguson,2015-03-17 When Dominic St Clair a French privateer captures an American ship he has the American officers transferred to his ship offering them the respect of one officer for another He even asks if they need to bring anything from their ship with them The American captain says no but then Dominic discovers Abigail Fitzgerald the captain s daughter has been left behind on the ship he now is overseeing Abigail barely knows her father for she has lived ashore with her aunt her whole life She looked forward to getting to know him on this voyage She cannot believe that he would leave her behind with the enemy But he did So begins the battle between Abigail and Dominic but they must become allies when they barely survive the ship being blown up by her father s men They reach the shore of England where both are considered enemies There they find both unexpected allies and an unexpected love Even so betrayal stalks them as lies long told draw them into a web of treachery and bring Dominic a heritage he never imagined would be his for he is the heir of a duke killed during the Terror Not that he will be able to claim his legacy unless he can escape their enemies and save Abigail for a horrible fate Their two hearts must be as powerful as thunder and dare to grasp love in the midst of hatred *The Bear and His Sons*

James M. Taggart, 2010-07-05 All the world over people tell stories to express their deepest feelings about such things as what makes a real man or woman what true love courage or any other virtue is what the proper relationships are between people Often groups of people widely separated by space or time will tell the same basic story but with differences in the details that reveal much about a particular group's worldview This book looks at differences in the telling of several common Hispanic folktales James Taggart contrasts how two men a Spaniard and an Aztec speaking Mexican tell such tales as The Bear's Son He explores how their stories present different ways of being a man in their respective cultures Taggart's analysis contributes to a revision of Freud's theory of gender which was heavily grounded in biological determinism Taggart focuses instead on how fathers reproduce different forms of masculinity in their sons In particular he shows how fathers who care for their infant sons teach them a relational masculinity based on a connected view of human relationships Thus The Bear and His Sons will be important reading not only in anthropology and folklore but also in the growing field of men's studies

Son of Mary Margaret Wesley, 2015-08-13 Son of Mary offers new solutions to some persistent exegetical problems in the interpretation of three of the most puzzling passages in the Gospel of John and does so in a way that illuminates the social cultural context to the New Testament world Old Testament resonances are heard here afresh The miracle at Cana is seen in the light of God's people living without the wine of God's blessing and Jesus' interaction with his brothers is placed alongside the story of Joseph Margaret Wesley explores the world of kinship relationships in First Century Palestine discovering how an understanding of family expectations and obligations can illuminate Jesus' words and actions and guide our relationships within the church as sisters and brothers of one another and as daughters and sons of God The life death and resurrection of Jesus are understood in a fresh way as the creation of a new family Margaret demonstrates a mastery of current research while drawing on a wide range of primary patristic sources She shows a respectful yet firm and assertive spirit when dealing with controversy

The Way for a Christian to Mature in Life Witness Lee, 2002-09-01 This book contains fourteen messages that show us that the way for a Christian to mature in life is by allowing God to build Himself into him by paying the price before God by being watchful and ready by turning to the spirit and by giving the ground to the Lord
