Oliver, 2004-06-01 So long did I defer action in the case of Lolix that I came to fear to take any course except to let events order their own settlement Yea I lost confidence in my ability to solve the dangerous problem fearful lest I should make a bad matter worse Thus the days slipped by and the examination ordeal was close at hand Neglect Lolix I did not could not nor had I desire to do so Very often I was with her indeed with a strange blindness to the wrong involved I divided my leisure between Lolix and Anzimee I sometimes feared that Mainin Gwauxln or perhaps both knew of my secret They did too for their occult vision was too keen to allow them not to know the facts **A DWELLER ON TWO PLANETS** Phylos The Thibetan, 2017-11-11 *A Dweller on Two Planets* is one of the most important texts of the 19th century Atlantis canon The book was channeled to Frederick Spenser Oliver 1866 1899 at his Northern California home near Mount Shasta over a period of three years beginning when he was seventeen Oliver claimed not to have written any of the text asserting that he was merely transmitting what Phylos revealed to him In fact professed Oliver the manuscript was dictated to him out of sequence much of it backward so that he could not interfere with the outcome Phylos was also Walter Pierson a prospector in northern California during 1863 1866 who is the reincarnated Phylos from Atlantis As Phylos Pierson dictated the book to Oliver Oliver produced the text in a form of automatic writing The book begins with Phylos lives in Atlantis and the wonderful technology that those people had including electricity and airships In part two of the book Phylos reincarnates as Walter Pierson and is taken inside Mount Shasta by a Chinese Master named Quong During his time inside Mount Shasta Pierson is taken in his astral body to Venus hence the title of the book A better title might have been *From Atlantis to Mount Shasta* While some have called the book brilliant speculative fiction if somewhat disjointed believers in reincarnation cannot help but think that there is some sort of reality to this strange book that goes into great detail about antigravity mass transit the employment of dark side energy which today would be called zero point energy and devices such as voice operated typewriters The cigar shaped highly maneuverable Atlantean flying
