Kindle Me Michael Haridy, 2012-01-19 Kindle ME is the ultimate book about Amazon's Kindle. It is FOUR BOOKS under one cover. You go to the book you need when you need it. But if you are a fanatic and you want to know everything under the sun about your Kindle, you are welcome to read it all. Book ONE is about the history of ebooks and ereaders. It is a journey into the past in which the vision of a few individuals changed the way we impart and receive knowledge. It is a journey through the history of the ereader. Book TWO is all about the basics. You have a Kindle and want to use it now. If you are an impatient individual and you want to start reading your first ebooks in a few minutes, this will show you how. But if you want to grasp all the basics of how to use every aspect of your Kindle, you will find the answers there too. Book THREE it is free for all. Millions of free ebooks out there for you to read with your Kindle, and in this book you will learn how to get them easily. Many ebooks on the market today have nothing else in them but the information you get from this book. This book is your complete guide on how to get to all the free ebooks available in the market today. Enjoy. Book FOUR. This is a real gem. The information in this book took a lot of research to find and collect from the ever-expanding world-wide web. This book contains some of the information no one has told you about. Like the hidden features of Amazon's Kindle, it will enrich your usage of your Kindle. It will make the Kindle more than a Kindle. It includes 10 things you need to know, 10 features you don't know about, 10 more ways to use your Kindle that no one told you about how to do many things with your Kindle the easy way, and finally, an important section about how to keep up to date with the latest information about Kindle. The best Kindle websites and blogs. Kindle ME is four books in one book. It takes your hand and slowly introduces you to the unbelievable world of Kindle. It is a magical world because Kindle is a superb eReader, one of the best, if not THE best eReader on the market today. You can use your Kindle in more ways than just an eReader. It has many hidden features, and Kindle ME will guide you through it.

Kindle Formatting Joshua Tallent, 2009 Publishers and independent authors everywhere are excited and somewhat anxious about the move toward digital publishing. eBooks are revolutionizing the publishing world, and eBook reading devices like the Amazon Kindle are on the forefront of this revolution. However, the text formatting the Kindle requires can be hard to decipher and even harder to implement. This book serves as a guide to the process of formatting eBooks that look great on the Kindle every time. Each step is explained in detail with examples and formatting tips found

nowhere else In addition to instructions for the conversion and formatting process this book contains detailed explanations of all the HTML and CSS markup supported by the Kindle instructions for achieving optimal image display quality on the E Ink screen and other details about the Kindle s formatting requirements previously left to chance or speculation Beautiful eBooks are at your fingertips The Kindle and its readers await
