Ap Physics Chapter 9:

A Spell to Wake the Dead Nicole Lesperance, 2025-08-26 Two teen girls must uncover the dark occult secrets lurking in their Cape Cod town to solve a series of murders and save themselves from the same fate in this twisty witchy thriller. Steeped in uniquely New England coastal magic, *A Spell to Wake the Dead* kept me on the edge of my seat as the bodies and mysteries kept washing ashore. Lesperance weaves an enthralling atmospheric thriller that pulls you in from the first page. Tense, twisty, and deliciously witchy, it was just about impossible to put down. Louangie Bou Montes, author of *Till the Last Beat of My Heart* When Mazzy and her best friend Nora sneak down to the beach one moonlit night to cast a spell they don't expect to find a dead body. But as the tide rolls in, it carries the remains of a woman who is missing her hands and teeth. The girls know they should leave the investigation to the police, but they can't shake the weird supernatural connection they feel with the dead woman. Using spellwork and divination, they set out to find answers of their own. But after they uncover a rash of local disappearances stretching back years, and both girls start having occult visions and hearing ghostly whispering voices, Mazzy worries that she and Nora are in danger. Then Nora finds a second body. And the whispering voice is telling her where to find more. With everything spiraling, Mazzy needs to figure out who to trust and how to sever this supernatural connection, or she and Nora might be the next bodies to wash up on the beach.
