You have three sources that you may use in your paper. For this paper, you must include a variety of sources; they cannot all come from Web sites. Search SMC's library online catalog, search for a book, search online databases, find newspaper articles, use the search engine Google scholar at [www.google.com](http://www.google.com), or [www.yahoo.com](http://www.yahoo.com). In addition, observations or experience from your personal life are not allowable. Refer to the following handouts: "Research Guide for Papers," "Sources Acceptable for Academic Papers." Both of these handouts are on eCompanion. If you include an article from a Website, there must be a date and a sponsor/publisher. If this is not available you cannot use this source.

**Thesis Statement and Claim:** Does your thesis clearly include a
