

new '68 EVINRUDE SKEETER

50% quieter
60 lbs. lighter
100% more fun...

Good news for peace-loving snowmobilers!

The new '68 Skeeters are 50% quieter. How did Evinrude do it? By enclosing engine and drive train, by using sound baffles, tuned exhaust, and dual mufflers.

Even with more power and more luxury features, the '68 Skeeters are lighter — 60 pounds lighter in the case of the sport-track model. Both sport-track and wide-track models have more flotation, better balance, more speed.

The new Skeeters are 100% more fun. You can start them electrically, idle in neutral, shift into reverse (a unique feature). They're smooth-riding, ruggedly built, and dependably powered with an Evinrude 2-cylinder engine.

Do something nice for yourself (and your neighbors) — drive the quiet one.

New Single-Mate makes Skeetering a family affair. Send for catalog on '68 Skeeters and accessories.
