**Buying Guide 2008** Consumer Reports,2007-11-13      **Drive Tourism** Bruce Prideaux,Dean Carson,2010-11-03 Since the post World War Two boom in private automobile ownership Drive Tourism has transformed the tourism landscape by facilitating dispersal and the growth of attractions and tourism related infrastructure beyond the zones that had previously emerged around seaports and railway terminals The automobile has made regional dispersal possible and created opportunities for many small rural communities to supplement rural economies with a tourism economy Drive Tourism is a popular form of tourism activity that has significantly contributed to the development of Tourism in many nations but has received relatively little attention in the literature This book is the first attempt to provide a global comprehensive review and scholarly investigation into this popular and growing form of tourism It draws on a vast range of geographical locations to critically explore the impacts of drive tourism in developed and underdeveloped regions It evaluates tourism authorities response to the Drive Tourism Experience and offers operational insights into the management of the drive experience as well as providing original empirical research and insights into the field that will contribute to future investigation In doing so it explores the many forms of drive tourism from caravanning to fly drive touring      Towards a new order in the global automotive industry: How Asian companies catch up to their western peers Daniel Wäldchen,2014-02-01

The global automotive industry faces the most influential changes since the revolutionary introduction of mass production a century ago Latecomer firms from Asia are challenging the western incumbents They can change the rules of the game in the industry by leapfrogging several steps in their development process This study seeks to contribute to the discussion of latecomer firms by gaining insights into the catch up processes of five automotive companies in the passenger car segment namely BYD PRC Chery PRC Geely PRC Tata Motors India and Mahindra Mahindra India Based on learning theories and the core processes of car manufacturers the author develops a catch up framework in order to compare automotive latecomers The Korean manufacturer Hyundai serves as an example for a successful catch up and provides a contextual framing for catch up processes in the automotive sector An analysis of empirical data provides evidence for the evaluation of the catch up status of the five challenger firms The author emphasizes the influence of institutional settings in China and India and the role of business groups that can act as facilitators for the catch up process Finally the study clusters the catch up strategies of the five observed companies in order to compare their approach      2007, 《Automotive Engineering International》,2007      **Automotive News** ,2007      **Outlook** ,2009      **Kelley Blue Book Used Car Guide, July-December 2008**
