Ingersoll and the Deist Herring Needham Bryan 1839-,2013-01-28 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **Ingersoll and the Deist** Needham Bryan Herring,1889 *Deism* Logan Gray,2024-10-22 Deism Spirituality Without Religion Deism Spirituality Without Religion is a gateway to a universe where the divine is not a being revealed in temples or scriptures but an enigmatic force that permeates the hidden order of the cosmos For great minds like Albert Einstein and Benjamin Franklin deism was the key to deciphering the mystery of a silent Creator who after establishing the immutable laws of the universe withdrew allowing creation to follow its own autonomous course For them it was in this infinite vastness in the laws governing the movement of the stars and in the complexity of life that the trace of the sacred was found This book does not offer ready made answers but opens doors to the unknown inviting the reader to leave behind the comfort of dogma and venture into a realm where true spirituality is discovered in pure reason and the contemplation of the unseen What Einstein glimpsed in the equations that unraveled the cosmos and Franklin intuited in crafting the principles of human freedom was not a God who listens to prayers but a hidden intelligence present in the subtlest details of nature Deism Spirituality Without Religion challenges the reader to get lost and found in a universe full of secrets where morality emerges not from commandments but from the very laws that sustain life As you turn each page you will be prompted to question what is truly sacred and to explore a path of profound discoveries where the distant and inaccessible Creator still whispers through the murmuring of the stars and the eternal dance of the atoms *Ingersoll and the Deist (Classic Reprint)* Needham Bryan Herring,2017-11-27 Excerpt from *Ingersoll and the Deist* IN 3 recent sermon the Minister said The reason assaults upon the Christian religion by Mr Robert Ingersoll have attracted wide attention is more on account of the able Christian scholars to whom he professes to reply than to anything new in his attack Mr Ingersoll says In the discussion of these questions I have nothing to do with the reputation of my opponent His character throws no light on the subject and is to me a matter of perfect indifference If the Minister is right I fear that I shall have to take my labor for my pains but if Mr Ingersoll meant what he said in his reply to Mr Black he will not refuse to acknowledge my arguments because I am unknown About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any
