Alone In The Crowd:

Alone in the Crowd Samir Parikh, 2021-12-10 In a city high rise sitting in the balcony on the 25th floor sipping tea you look out into the horizon city lights glimmering in the distance cars fading away as they rush across the highway You are surrounded by silence though you can hear the faint noises of the horns honking on the road You look across at the building angularly adjoining yours and see shadows move across the large expansive windows You wonder what they would be doing their conversations their actions the scuttling and scurrying movements You can feel the melancholy the lonesomeness You reflect how it was never like this before As people navigate their way towards growth and success they find themselves busy and others around them unavailable This urban existence with its multidimensional challenges has led to an upsurge in the experience of loneliness and taking stock is a matter of pertinent significance This book explores the spaces from which the problem of urban loneliness arises It portrays in detail the facets of our lives which are contributing towards the emergence of this scenario In *Alone in the Crowd* the authors go beyond highlighting the existence of the problem to enlisting ways in which this pandemic in the midst of the current pandemic can be tackled Encouraging readers to concurrently focus on the need to live mindfully this book also highlights key learnings from the pandemic *Alone in the Crowd*, 2014 **Alone in a**

Herrstrom, 2012-03-29 The Book of Unknowing meditates on John s confrontation with the incandescent Jesus a figure of our desire for immortality Guiding us through the Gospel s coming to grips with Jesus the poet David Sten Herrstrom prefers sparking the imagination to arguing a thesis as he explores John s own obsessions such as image light symbol water sign water to wine shapeliness symmetry loves Peter Mary s and above all words the Word the body
