The Pentateuch, in Its Progressive Revelations of God to Men Henry Cowles,1874 Apropos of Something Elisa Tamarkin,2022-07-27 A history of the idea of relevance since the nineteenth century in art criticism philosophy logic and social thought Before 1800 nothing was irrelevant So argues Elisa Tamarkin s sweeping meditation on a key shift in consciousness the arrival of relevance as the means to grasp how something that was once disregarded unvalued or lost to us becomes interesting and important When so much makes claims to our attention every day how do we decide what is most valuable right now Relevance Tamarkin shows was an Anglo American concept derived from a word meaning to raise or to lift up again and also to give relief It engaged major intellectual figures including Ralph Waldo Emerson and pragmatists and philosophers William James Alain Locke John Dewey and Alfred North Whitehead as well as a range of critics phenomenologists linguists and sociologists Relevance is a struggle for recognition especially in the worlds of literature art and criticism Poems and paintings in the nineteenth century could now be seen as pragmatic works that make relevance and make interest that reveal versions of events that feel apropos of our lives the moment we turn to them Vividly illustrated with paintings by Winslow Homer Henry Ossawa Tanner and others Apropos of Something is a searching philosophical and poetic study of relevance a concept calling for shifts in both attention and perceptions of importance with enormous social stakes It remains an invitation for the humanities and for all of us who feel tasked every day with finding the point **The Revelations of St. Birgitta of Sweden** Birgitta (de Suède, sainte.),2006 The New Jerusalem in the Book of Revelation Pilchan Lee,2001 There is a development between expectation for the rebuilding of the New Jerusalem Temple in the Old Testament and the coming of the New Jerusalem Temple in Revelation In Revelation there is a dynamic relation between the New Jerusalem and the Heavenly Jerusalem the New Jerusalem is the descent of the Heavenly Jerusalem Moreover there is

no Temple building which was expected as the eschatological promise in the Old Testament but rather God and the Lamb is the Temple How can this shift be explained Pilchan Lee examines the exegetical tradition which existed between the Old Testament and Revelation He assumes that as the exegetical tradition the early Jewish apocalyptic literature functions as a key element for forming the idea of the New Jerusalem in Revelation John's main argument is that the church which is symbolized by several images is placed in heaven now chapters 4-20 and the church which is symbolized by the New Jerusalem will descend to the earth from heaven in the future 21-22
