Experience the corruption of power and downfall of rebellion with this allegorical story of the Russian Revolution. This resource is great to use as a stand alone resource as well as a starting point for bigger activities. Predict whether old Major's words will inspire any action from the animals. Explain how life for the animals changed immediately following the rebellion. Answer multiple choice questions that reference life on the farm under the leadership of the pigs. Get into the minds of the animals who continue to confess in the face of executions to determine their motivations. Research the concepts of propaganda and historical revisionism and how they connect to Napoleon's actions in the novel. Discuss some of the instances of foreshadowing that can be found within the novel and how they influenced perceptions going forward. Aligned to your State Standards and written to Bloom's Taxonomy, our worksheets incorporate a variety of scaffolding strategies along with additional crossword, word search, comprehension quiz, and answer key. About the Novel: Animal Farm is an allegorical satire that recalls the Russian Revolution in which the unhappy animals of Manor Farm rise up against humanity. In Willingdon, England, Mr. Jones runs the neglected Manor Farm. His animals are not happy with their living conditions. One night, old Major calls on the other animals to overthrow the humans. He teaches them a revolutionary song called 'Beasts of England'. When he dies, conditions on the farm continue to deteriorate to the point where the animals decide to rise up. They chase the humans off the farm and rename it Animal Farm. Two pigs named Snowball and Napoleon take control and immediately adopt a set of seven commandments they call Animalism. The farm runs smoothly until bit by bit these commandments are broken by the pigs. Through propaganda, the pigs continue to keep control over the farm even when the other animals start to question their actions. The story continues down a rabbit hole that inevitably shows the pigs are no different than the humans.
