The Stranger Beside Me Ann Rule, 1989 Ted Bundy's story including intimate details of the serial killer's final moments

The Stranger Beside Me Ann Rule, 1980 **The Stranger Beside Me** Ann Rule, 2019-04-11 THE NEW EDITION OF THE TRUE CRIME CLASSIC The Inside Story of Serial Killer Ted Bundy Ann Rule was a writer working on the biggest story of her life tracking down a brutal mass murderer Little did she know that the young man who was her close friend was the savage slayer she was hunting TED BUNDY was everyone's picture of a natural winner handsome charming brilliant in law school successful with women on the verge of a dazzling career Fast forward to 24 January 1989 Ted Bundy is executed He had confessed to taking the lives of at least thirty five young women coast to coast This is his story the story of his magnetic power his unholy compulsion his demonic double life and his string of helpless victims It was written by a woman who thought she knew Ted Bundy until she began to put all the evidence together and the whole terrifying picture emerged As recommended by the hosts of the podcast My Favourite Murder Fascinating further reading for viewers of the Netflix documentary Conversations with a Killer The Ted Bundy Tapes **Quicklet on Ann Rule's The Stranger Beside Me (CliffNotes-like Book Summary & Analysis)** Paul Kraly, Paula Kalamaras, 2012-07-30 ABOUT THE BOOK I should be grateful that I had a ringside seat to the monstrous scenario Ted Bundy acted out as the glamour boy of homicide I am not grateful I would rather I'd never had a book of my own much less twenty nine and that Ted's victims had lived If only I had the power to make none of it real The Stranger Beside Me xii xiii The Stranger Beside Me is at once an autobiographical book and a true crime expose Published originally in 1980 nine years before Ted Bundy's execution it has been revised and updated in 1986 1989 2000 and in 2008 9 to coincide with the twentieth anniversary of Bundy's execution The Stranger Beside Me was the book that began Ann Rule's successful career as a true crime writer What makes the 20th anniversary reissue of the book so intriguing is that Ann Rule has returned to this seminal book adding chapters and insight into her odd relationship with one of the United States worst serial killers Theodore Robert Bundy or Ted as she calls him While sitting next to Ted as they worked the phones on the night shift of a crisis center Ann never had a clue about his disturbing double life What also makes The Stranger Beside Me so intriguing is that while Ted is rampaging through his murders Ann's career is growing as well EXCERPT FROM THE BOOK Meanwhile Bundy was getting references for law school from his Republican buddies and was about to leave Washington for Utah Commentary These chapters are pivotal to the Bundy saga Rule explains in exhausting detail with names and dates what was occurring in Washington at this time From the task force to the witness statements a clear picture of the killer and his victimology was beginning to emerge In 1974 computers were not as accessible as they are now so much of the comparison was done on hard copy and through manual labor This delayed results and enabled Bundy to act with impunity throughout the state despite his name being sent to the authorities by Rule and even his girlfriend By all appearances Bundy was a smart law student with a bright future ahead of him Even after he was

apprehended there was a kind of cult of Bundy that claimed his innocence Even People Magazine raised doubts about his culpability and bought into the feeding frenzy that his trials became These chapters begin to consolidate the evidence and reveal Rule s interactions with police and yet continue her willful blindness to the problem that was Bundy Chapter by Chapter Summary and Commentary Summary Chapter 12 begins with a recap of the four Teds considered suspects worthy of investigation Since there were artist renderings of the suspect from Lake Sammamish several respected persons seemed to recognize Bundy as matching the drawing This included his girlfriend Meg Anders real name Elizabeth Koepfler who not only recognized the drawing but knew of plaster of paris in her medicine cabinet and that her VW was used by her fiance Ted Bundy She confided her fears to a friend and was encouraged to report Ted to the authorities She was wracked with guilt over doing this and not letting Ted know While Meg was anguished over reporting her boyfriend now a Utah law student to the police bodies were being found in the mountains throughout the late summer and early fall of 1974 Ted was settled in Utah but traveled back to Seattle to finish some business and try to assure Meg of his affection although not marriage As he once told Ann Rule much later after he was arrested Why should I want to attack women I had all the female companionship I wanted I must have slept with half a dozen women that first year in Utah and all of them went to bed with me willingly buy the book to continue reading
