B. Bernard, 2013-05-07 Alaska looms as a mythical savage place part nature preserve part theme park too vast to understand fully Which is why C B Bernard lashed his canoe to his truck and traded the comforts of the Lower 48 for a remote island and a career as a reporter He soon learned that a distant relation had made the same trek northwest a century earlier Captain Joe Bernard spent decades in Alaska amassing the largest single collection of Native artifacts ever gathered giving his name to landmarks and even a now extinct species of wolf C B chased the legacy of this explorer and hunter up the family tree tracking his correspondence locating artifacts donated to museums and finding his journals at the University of Alaska at Fairbanks Using these journals as guides he threw himself into the state once known as Seward s Folly boating to remote islands hiking distant forests hunting and fishing the pristine environment forming a landscape view of the place that had lured him and Uncle Joe both men anchored beneath the Northern Lights in freezing far flung waters separated only by time Here in crisp crystalline prose is his moving portrait of the Last Frontier then and now Alaska Robert P. Long, 2014-06-13

Rick Spears is a man of many skills and interests An avid outdoorsman who loves camping hunting and writing he has challenged himself to the ultimate adventure a solo trek into the Alaskan wilderness the home of countless predators who will have no fear of him In the past he had traveled in relative safety on hunting trips Accompanied by just a few members from his hunt club and a photographer they had encountered little danger But now he s going it alone in regions where he can t rely on help from the outer world If things turn deadly no one will even be able to hear his call for help let alone respond to it For the first time in his life he will be truly alone with only his wits to keep him alive He can t wait Driven by adrenaline and ambition Rick has spent months planning his adventure He wants to write a book about a solitary life in the wilderness a life without electricity or modern comforts in the hopes of experiencing something that approximates what the old timers endured He knows that the only way to write that story with any credibility is to live through it himself assuming he survives
