**The Employee Experience** Tracy Maylett, Matthew Wride, 2017-01-10 Ever notice how companies with the best service also have the happiest employees? That's no accident. Do you want to build a strong, successful organization? Start by ignoring your customers. Really. Instead, focus first on creating a better employee experience or EX. Your employees interact with customers, make them smile, and carry your brand message from the warehouse to the front lines. If your employees are having a great experience, so will your customers. In *The Employee Experience*, employee engagement pioneers Tracy Maylett and Matthew Wride reveal the secrets not only to attracting and retaining top talent but to building a deeply engaged workforce, the foundation of organizational success. With deep insights into the dynamics of trust and mutual expectations, this book shows that before you can deliver a transcendent customer experience (CX), you must first build a superlative EX. With real-world examples and more than 24 million employee survey responses, Maylett and Wride reveal a clear, consistent pattern among the world's most successful organizations. By establishing a clear set of expectations and promises collectively known as the Contract and upholding it consistently, employers can build the trust that leads to powerful engagement. Whether in business, healthcare, education, sports, or nonprofit, these organizations are consistently more successful and more profitable, enjoy sustainable growth, and win the battle to keep today's rarest resource: talented people.
