All That Jazz:

All That Jazz Ethan Mordden, 2018-06-01 In 1975 the Broadway musical Chicago brought together a host of memes and myths the gleefully subversive character of American musical comedy the reckless glamour of the big city newspaper the mad decade of the 1920s the work of Bob Fosse and Gwen Verdon two of the greatest talents in the musical's history and the Wild West gangsterville that was the city of Chicago itself The tale of a young woman who murders her departing lover and then tricks the jury into letting her off Chicago seemed too blunt and cynical at first Everyone agreed it was show biz at its brilliant best yet the public still preferred A Chorus Line with its cast of innocents and sentimental feeling Nevertheless the 1996 Chicago revival is now the longest running American musical in history and the movie version won the Best Picture Oscar As author Ethan Mordden looks back at Chicago's various moving parts including the original 1926 play that started it all a sexy silent film directed by Cecil B DeMille a talkie remake with Ginger Rogers the musical itself and at last the movie of the musical we see how the American theatre serves as a kind of alternative news medium a town crier warning the public about the racy devious interior contradictions of American society Opinionated witty and rich in backstage anecdotes All That Jazz brings the American Musical to life in all its artistry and excitement *All That's Jazz*, 1995 All That Jazz Tamara Damato, 2019-10-12 All that Jazz is been inspired by a deep love for the Jazz A kind of music that I discovered in Scotland in one of my trip around the world I've been fascinated by all the different atmospheres and emotions that this music is able to put you through It truly is like travel through different worlds just watching inside you The castle that became a pub is a real place actually called Full moon in Bristol UK and to my eyes it looked the best place to put a jazz band as the walls are completely full of stars as magic as that music Ella is in honor of Ella Fitzgerald one of the most important Jazz singer the world knows It's not just a coincidence that the instruments can talk as the most amazing thing about Jazz is the way all the instruments talk to each other in a kind of Musical brotherhood that makes you dance dream and love **New York Magazine**, 1979-12-31 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Fosse** Sam Wasson, 2013 The authoritative and endlessly revealing biography of renowned dancer choreographer screenwriter and director Bob Fosse written by a bestselling pop culture historian **Big Deal** Kevin Winkler, 2018 Bob Fosse is one of the most significant figures in the post World War II American musical theater Big Deal Bob Fosse and Dance in the American Musical is a fascinating look at the evolution of Fosse as choreographer and director It traces his early dance years the influence of mentors George Abbott and Jerome Robbins and the impact of his three marriages all to dancers on his career *All That Jazz* James Power, 2002 *Clinical Ethics on Film* M. Sara Rosenthal, 2018-06-08 This book discusses

feature films that enrich our understanding of doctor patient dilemmas The book comprises general clinical ethics themes and principles and is written in accessible language Each theme is discussed and illuminated in chapters devoted to a particular film Chapters start with a discussion of the film itself which shares details behind the making of the film box office and critical reception casting and other facts about production The chapter then situates the film in a history of medicine and medical sociology context before it delves into the clinical ethics issues in the film and how to use it as a teaching aid for clinical ethics Readers will understand how each film in this collection served to bring particular clinical ethics issues to the public s attention or reflected medico legal issues that were part of the public discourse The book is a perfect instructor s guide for anyone teaching bioethics healthcare ethics medical sociology medical history healthcare systems narrative medicine or nursing ethics

And All That Jazz Colin King,2004-12-01 What is jazz Jazz like any artistic phenomenon represents the sum of an addition The factors of this addition are to my mind African music French and American music and folklore Robert Goffin 1934 From its early origins in the Yoruba drumming of West Africa blending with the European folk melodies in America through the slave trade through the bootlegger clubs of the Roaring Twenties and to the present day jazz has been around the world keeping the rhythms and melodies flowing and people s feet tapping The term jazz was originally an African American slang term for the sexual act It is believed to have arisen in the brothels of New Orleans in the late nineteenth century and it is in New Orleans that jazz music was born From there it moved up the Mississippi River to Memphis St Louis and finally to Chicago Jazz started as an American phenomenon but is now an international one In this book we examine the early history of jazz from its origins in Africa and watch as it evolves into the variations it has taken to the present day We will follow the various styles as they appear and look at the major players who kept the pulse of jazz beating
