"Hello? (short pause)
Hellooo? (Waits again) Helloooo -
Who is this?"

"A is for academics, B is for beer. One
of those reasons is why we're not
here. So leave a message."

"Hi. I am probably home, I'm just
avoiding someone I don't like. Leave
me a message, and if I don't call
back, it's you."

"Hello. I am David's answering
machine. What are you?"

"Please leave a message. However,
you have the right to remain silent.
Everything you say will be recorded
and will be used by us."

"Hi, I'm not home right now but my
answering machine is, so you can talk
to it instead. Wait for the beep."

"Heaven, God speaking..."

"Hi. This is John: If you are the phone
company, I already sent the money.
If you are my parents, please send
money. If you are my financial aid
institution, you didn't lend me enough
money. If you are my friends, you
owe me money. If you are a female,
don't worry, I have plenty of money."

"Go away, leave me alone, please leave
a message, after the tone BEEP!"

"Hello. This is Mark and Nathan's phone.
We're not here right now, but the phone is"

"Hi, I'm not home right now but my
answering machine is, so you can talk to it
instead. Wait for the beep."

"Hello! This is Joe. If you leave message, I
call you soon. If you leave *sexy* message,
I call sooner!"

"Hi. Now you say something."

"Hello? ...Hello? ...Hellooo? I'm sorry, you're
gonna have to speak up, I can't hear you...
That's 'cuz I'm not home! Leave a message.
BEEP."

"If you are a burglar, then we're probably at
home cleaning our weapons right now and
can't come to the phone. Otherwise, we
probably aren't home and it's safe to leave
us a message."

"Hello, this is Susan. I don't live here, so if
you were trying to call me, you've dialed the
wrong number. On the other hand, if you
were trying to call John, Jim, or Eric, please
leave your name and number at the tone. I
don't guarantee that one of them will call
you back -- only that I won't."

Internet Babylon Greg Holden, 2013-11-09 This book looks at the Internet from a sordid and entertaining perspective The line between truth and fiction is blurred on the net just as it is in Hollywood and so are the scandals involving well known movie and TV personalities politicians and the Internet's own brand of celebrities The battle between illusion and reality is every bit as intense on the Internet as on the celluloid screen Going beyond sites that glorify the seamier side to life Internet Babylon is a guide to the unique sites that appeal to selective sensibilities Internet Babylon gives you the ability to live vicariously through and be a participant in extraordinary even strange goings on that you might never otherwise encounter in your day to day life You'll not only find entertaining and titillating stories that define the rough and wild side of a major force in society that's still developing but you'll also discover the tools you need to be on top of breaking stories and find the news that's not fit to print
