

The background of the cover features a complex, three-dimensional molecular structure. It consists of numerous spheres of varying sizes, some of which are translucent and show internal details, connected by thin, metallic-looking rods. The spheres are arranged in a way that suggests a crystalline or network solid structure. The lighting is soft, creating a warm, golden-brown glow across the entire scene, with some areas being slightly brighter than others, giving it a sense of depth and focus.
