**APhA's Complete Review for the Pharmacy Technician** L. Michael Posey, American Pharmaceutical Association, 2001

This review by the American Pharmacy Association APhA is organized to correspond directly to the National Pharmacy Technician Certification Examination's Content Outline. The Content Outline revised in March 2000 is based on a US national study of tasks pharmacy technicians perform in a variety of practice settings. So APhA's review is both a thorough primer on the many specific activities that pharmacy technicians actually perform and a detailed review of the knowledge that test candidates must master to pass the Pharmacy Technician Certification Examination.
