O'Lynn,2012-10-23 Print CourseSmart *A Guide for Developing a Culture of Caring Through Nursing Peer Mentorship*
Programs Deborah Kramer,2024-08-19 This book describes in detail how to develop successful programs of nursing
mentorship utilizing concepts of caring that yields a strong caring body of nurses who will be nurse thrivers as they find
fulfilment and meaning in their professional commitment and will train others to do the same The mentorship program is the
ticket to success that many students need to complete their degree program prevent burnout pass the nursing NCLEX
examination and remain in the workforce after graduation The current attrition rate in baccalaureate nursing programs is 25
50% as is the attrition rate in the first 2 years of employment of new RN s entering the workforce Burnout is due to a lack of
care and support for helping the students navigate the rigor and demands of the nursing program Creating a community of
learners with caring and support creates an environment that fosters academic engagement and success The unique aspect
of this book is its focus on creating a caring environment to support the students helping them develop caring skills empathy
resilience and their own self care developing the skills for success beyond their educational process into the workforce This
book integrates all patterns of knowing personal aesthetic empiric and ethical and provides the missing link of peer

mentorship necessary to the development of resilient emancipated nursing students and graduates capable of working in community with others to establish cultures of care in health care This is a must have resource for transformation of nursing education in the next century Foreword by Dr Margaret McClure *Jacaranda Key Concepts in VCE Business Management Units 3 and 4 7e learnON & Print & studyON* Stephen J.
