The information and component/system descriptions contained in this manual are correct at time of publication. BRP however, maintains a policy of continuous improvement of its products without imposing upon itself any obligation to install them on products previously manufactured.

Due to late changes, it may have some differences between the manufactured product and the description and/or specifications in this document.

BRP reserves the right at any time to discontinue or change specifications, designs, features, models or equipment without incurring obligation.

This manual uses technical terms which may be slightly different from the ones used in the *PARTS CATALOG*.

When ordering parts always refer to the specific model *PARTS CATALOG*.
