[The Beginners Guide to Survival](#) C S Brookes,2021-03-04 Are Zombies real Maybe not yet but they could be coming History has shown us that disasters can happen at any time It is not something that happens only to certain people or certain places but everywhere in the Universe If you really think that it could never happen to you then you are more delusional than those that believe in zombies Just look at the dinosaurs they were killed off by a disaster that they weren't ready for Maybe if they had read my book they would still

be walking the earth maybe not The one thing that is for sure is that everyone should be ready for some type of disaster or emergency to happen in their life If you are prepared your chance of surviving increases When you are in a car you wear your seatbelt not because you know that you will be in an accident but because you know that if you are your chance of surviving is increased The same goes for planning and prepping for disasters Now let s be honest planning for an event that could be tragic isn t fun Being one of Those Preppers has a negative stigmata in some social circles We might know that we should be ready but don t want to do it because isn t boring and easier to put it out of our mind until latter Beside you don t want your family and friends to laugh at you for having emergency supplies in the basement for a tornado Now zombies on the other hand are cool If you put on your dating profile that you re are ready for the zombie apocalypse you will get way more people swiping right than if you simply have a 7 day earthquake kit If you are prepared for zombie then you should have no problem during a disaster and this is why I wrote this book I hope that more people will find a fun way to think outside the box and be ready for whatever the universe and mother earth might throw at us I have tried to explain my logic and thinking on how best to be ready for everything from avalanches to zombies and have included links to other information I hope you enjoy reading this and get lots of use out of the information [The Christmas Bookseller](#) ,1880 **The book of Revelations ...**
