2	Explain the difference between an employing and user organisation. The Employing Organisation requires the load to be lifted and may simply hire a crane, they plan and manage the lift themselves, or enter into a contract with another party who becomes the User Organisation and plan and manage the lifting operation on behalf of the employing organisation.
3	When a crane company hires out a crane, name TWO main legal requirements the hire company must meet regarding the crane and driver. 1. A competent trained driver 2. Correct and up-to-date certification
