Some online services provide ready-to-use online modules, some do that but for a fee, some don't, most just provide content. If you are using content as a means to deliver content, you need to be able to add your own content. (There are also examples of more advanced modules that do not include introducing, analyzing and evaluating as the only activities; if you want a list of the 20 that do, you can request that you have the list.)
