Answer Section 1 Understanding Demand:

The Added Value of Auditing in a Non-Mandatory Environment Hans Duits, 2025-10-01 What is the raison d'être of auditing Does auditing only exist by the grace of the legislator Or does auditing fulfill other needs in contemporary society For many companies auditing has been made mandatory This is possibly one of the reasons why researchers to date have given limited attention regarding the drivers for the demand for audit Auditing seen as a social control mechanism is part of an organizational order in society Therefore it is essential to reflect on the changing demands of society As a lack of insight why society demands an audit accommodates the risk of not meeting the needs and expectations of society the added value of auditing may be called into question This dissertation deals with the question what are drivers for the demand for audit for Dutch SME companies which are not mandatory required to have their financial statements audited **CUET-PG**
