Fishermen Sally Festing,1999 **Micro Credit Program for Fishing Community** Dewan A. H. Alamgir,1997

Theatre as Alter/"Native" in Derek Walcott Nirjhar Sarkar,2023 Theatre as Alter Native in Derek Walcott attempts a close and detailed politico aesthetic analysis of his major plays At the core of this book lies the attempt to answer the question of how postcolonial artists and intellectuals have dared to imagine radically different ways of living in the face of oppositional binary choices And as the title suggests Walcott s plays carve out critical spaces for new narratives of becoming and alternative priorities entangled in contesting identities inscribed by race language and ethnicity Theatre as Walcott knew would be instrumental in demystifying Caribbean Absence and Void and generating an alternative version of dominant reality By a deliberate unseating of the Western texts filled with banal stereotypes and their representational biases and by triggering re action to the scripts of the colonizers in profoundly paradoxical ways Walcott s plays affirm the Caribbean identity This study seeks to demonstrate how his plays open an alter native universe in terms of aesthetics dramaturgy and the performative and reclaims New World identity in terms of negotiation rather than negation undermining the claim of solid authentic culture Placing the arts at the forefront of nation building Walcott situated his plays at a crucial juncture between the passing of the Empire and the newly born Federation in his archipelago
