New Car Buying Guide, 2004-2005 Consumer Reports, Consumer Reports Books Editors, 2004-06 Since its first auto test 50 years ago Consumer Reports has become the No 1 source that car buyers turn to when buying a new or used vehicle USA Today Consumer Reports is the definitive authority on unbiased automotive ratings *Unfolding the Cards* Ian Damerell, 2015-03-03 These essays attempt to confront the effect of years of postmodernity and its promotion of individuality at the cost of solidarity and communal spirit In the wake of this it suggests possible frameworks for an art study that restores a certain focus on communal spirit It proposes too that art study's fragile position in contemporary society is a consequence of over commercialisation and its resultant surface values Consumerist and corporate ideology encourage the consumer individual's self realisation seemingly divorced from communal interests Within this isolation lies the potential breakdown of ethics Therefore I dream of a kinder society i.e. one where we are engaged in realising the community as its citizens This is not blind obedience but in a spirit of contributing to a whole society More specifically it means allowing and to a degree maintaining art study as a sphere of possibilities for budding citizen artists It is envisaging art study as a discursive arena and creating an academic space that allows for art's main contribution the dislodging of the so called proper i.e. entrenched doctrine I believe that art study can contribute to the improving of society in the main because art enacts a different sharing of the sensible
