## Larcenous Lady:

*Strange Capers* Joan Smith, 2011-05-28 Constance Pethel had become accustomed to Lady Savage's economies and begging letters to Lord Aiglon to provide money to refurbish his falling down manor that they occupied. Arriving to discover this deceit Aiglon decided to put the property on the market depriving them of their home. But Constance learned that Aiglon was more interested in a stolen shipment of British arms and herself.

*Regency Romance* by Joan Smith originally published by Fawcett Crest. *Medieval Romance and Material Culture* Nicholas Perkins, 2015. Studies of how the physical manifests itself in medieval romance and medieval romances as objects themselves. Medieval romance narratives glitter with the material objects that were valued and exchanged in late medieval society: lovers' rings and warriors' swords, holy relics and desirable or corrupted bodies. Romance however is also a genre in which such objects make meaning on numerous levels and not always in predictable ways. These new essays examine from diverse perspectives how romances respond to material culture but also show how romance as a genre helps to constitute and transmit that culture. Focusing on romances circulating in Britain and Ireland between the twelfth and sixteenth centuries, individual chapters address such questions as the relationship between objects and protagonists in romance narrative, the materiality of male and female bodies, the interaction between visual and verbal representations of romance, poetic form and manuscript textuality and how a nineteenth century edition of medieval romances provoked artists to homage and satire.

A. Neddow, 2025-08-21. The Gods are at war. Jabrael is their weapon. Once she obeyed Amereld's iron laws. Now imprisoned and confessing to her captors, she reveals the truth: she touched the demon Lumos, refused purification and embraced monstrosity when survival demanded it. This is not a chosen one tale. It is the story of a woman who will shatter laws, betray loyalties and sacrifice even her humanity to fight a war the rest of the world cannot see. Praise for *The Iron Chest*: Violence, love, lust, magic and a complex cast. R. A. Neddow is a master of her craft. *Nikole Severance* Dark, complex and utterly original, takes familiar YA themes and transforms them into something layered and psychologically intense, perfect for a mature fantasy audience. *Mira Maschmeyer* Sneaks up on you with its beauty, then knocks you down with its heartbreak. A lyrical yet sharp narrative that balances wonder with raw emotion. Fans of *The Name of the Wind* will feel right at home. *Alex MacKenzie* One part coming of age, one part political drama and all epic, a debut that promises great things ahead. *Ian Barr* Perfect for fans of R. F. Kuang, *Anna Smith Spark* and *Patrick Rothfuss*. *Dancing On the Wind* Mary Jo Putney, 2011-10-31. Dangerous Deceivers. Like his nickname, Lucifer, Lord Strathmore is known for unearthly beauty and diabolical cleverness. A tragic past has driven Lucien to use his formidable talents to protect his country from hidden enemies. It's a job he does superbly well until he meets a mysterious woman whose

skill at deception is the equal of his own By turns glamorous and subdued his enchanting adversary baffles his mind even as she dazzles his senses A perilous mission has forced Kit Travers into a deadly game of shifting identities and needful lies where a single misstep might cost Kit her life But her disguises are easily penetrated by the Earl of Strathmore who may be a vital ally or a lethal enemy Unwilling to trust yet unable to part Kit and Lucien join forces to search the dangerous underside of London society Yet even two master deceivers cannot escape passion's sensual web or from an impossible love more precious than life itself A Romance Writers of America RITA winner for Best Long Historical Romance Books in the Fallen Angels series Book 1 Thunder Roses Book 2 Dancing on the Wind Book 3 Petals in the Storm Book 4 Angel Rogue Book 5 Shattered Rainbows Book 6 River of Fire Book 7 One Perfect Rose Praise for Dancing on the Wind With surprises around every turn of the page and a story that keeps you guessing right up until the end Dancing on the Wind is Mary Jo Putney at her best combining suspense humor and a unique style of sensuality perhaps surprising to gentle readers Readers will be enthralled and enraptured with this irresistible tale Romantic Times Dancing on the Wind is another A read from one of the very best I count on Mary Jo Putney for a compelling story with characters who live and breathe and most of all love Lucien senses in Kit the change to regain a part of himself he had thought forever lost Kit has always felt second best and finds it difficult to believe that she can trust in Lucien's love Their love story is intense emotional and deeply satisfying Under The Covers One of my favorite romances of all time All About Romance      **Royal Scamp** Joan Smith,1989-03      **Larcenous Lady** Joan Smith,2010-09-14 Deirdre Gower refused to marry her fianc Lord Belami while her Aunt Charney was desperately ill with the ague His lordship took offense at the continual delays and called the whole thing off But they both wound up on the continent where they were supposed to have had their honeymoon and where Belami pursued notorious counterfeiters and Deirdre New Epilogue added for ebook Regency Romance by Joan Smith originally published by Fawcett Crest
