Used Toyota Corolla Manual:

The Used Car Buyer's Manual David J. Buechel,1995 According to CNW Marketing Research 53 million used cars were sold in 1994 in the United States alone By the end of 1999 CNW forecasts the used car market will soar to 63.5 million units as the rising cost of new cars forces millions into second hand cars Millions of people need car buying information every year in a market destined to increase THE USED CAR BUYER'S MANUAL offers this much needed car buying information Divided into three parts part one shows how to buy a car from a private party Part two details how to buy a car through a dealer In the third part UCBM offers advice on how to sell your car along with tips designed to keep your car running problem free The UCBM also offers a vehicle inspection checklist designed to be photocopied for the reader's convenience But the most impressive information UCBM offers is its Directory of Reliable Used Cars Appendix UCBM shows you which cars are reliable by listing over a hundred models then taking the best in each class offering them as the creme de la creme Contact
