The Child as Musician Gary E. McPherson, 2015-09-24 The new edition of *The Child as Musician: A Handbook of Musical Development* celebrates the richness and diversity of the many different ways in which children can engage in and interact with music It presents theory both cutting edge and classic in an accessible way for readers by surveying research concerned with the development and acquisition of musical skills The focus is on musical development from conception to late adolescences although the bulk of the coverage concentrates on the period when children are able to begin formal music instruction from around age 3 until the final year of formal schooling around age 18 There are many conceptions of how musical development might take place just as there are for other disciplines and areas of human potential Consequently the publication highlights the diversity in current literature dealing with how we think about and conceptualise children s musical development Each of the authors has searched for a better and more effective way to explain in their own words and according to their own perspective the remarkable ways in which children engage with music In the field of educational psychology there are a number of publications that survey the issues surrounding child and adolescent development Some of the more innovative present research and theories and their educational implications in a style that stresses the fundamental interplay among the biological environmental social and cultural influences at each stage of a child s development Until now no similar overview has existed for child and adolescent development in the field of music *The Child as Musician* addresses this imbalance and is

essential for those in the fields of child development music education and music cognition *Chase's Calendar of Events 2014* Editors of Chase's Calendar of Events,2013-10-04 As featured on The Today Show 12 500 entries 196 countries 365 days Find out what's going on any day of the year anywhere across the globe If you're looking to tie a promotional event to a special month create a suggested reading list based on a literary birth anniversary travel to a music festival halfway around the world blog about a historical milestone or do a celebrity birthday round up on your radio show or Twitterfeed Chase's Calendar of Events is the one resource that has it all For broadcasters journalists event planners public relations professionals librarians editors writers or simply the curious this is one reference you can't do without Chase's Calendar of Events 2014 brings you Major sporting events such as the Games of the XXII Winter Olympiad at Sochi Russia Feb 7-23 and the FIFA World Cup in Brazil June 12-July 13 Milestones such as the 450th birth anniversary of William Shakespeare the 200th anniversary of The Star Spangled Banner the 100th anniversaries of the beginning of World War I and the opening of the Panama Canal the 75th anniversary of the beginning of World War II the 50th anniversaries of the Civil Rights Act of 1964 and Beatlemania and much more New birthday entries for sports stars such as Mo'Nique Mar 23 Ryan Lochte Aug 3 and Gabrielle Douglas Dec 31 actors such as Kerry Washington Jan 31 Lena Dunham May 13 and Mads Mikkelsen Nov 22 musical artists such as Carly Rae Jepsen Nov 21 and Psy Dec 31 and authors such as T.
