Executive Office of the President

March 2014

2014 White House Tribal Nations Conference Progress Report

Tobias Bleicker

2014 White House Tribal Nations Conference Progress Report:

2014 White House Tribal Nations Conference Progress Report United States. White House Office, 2014 *2014 White House Tribal Nations Conference Progress Report* Executive Office Executive Office of the President, 2014-04-14 The President considers the government to government relationship with Indian tribes a lasting covenant to be nourished and strengthened To this end engagement consultation and interagency collaboration are critical to supporting tribes in building stronger tribal communities In 2013 the White House Tribal Nations Conference focused on the newly established White House Council on Native American Affairs The Council is responsible for coordinating the U S government s engagement and partnership with tribes in order to promote more prosperous and resilient Native American communities This year tribal leaders were provided the opportunity to directly engage with the Council during the plenary session of the Conference to not only voice their concerns but also propose solutions to strengthen the Administration s tribal policies This year the President made significant enhancements to tribal self government and self determination In January the President signed an amendment to the Stafford Act which gives tribes the option to directly request Federal emergency assistance when natural disasters strike their homelands In March the President signed the Violence Against Women Reauthorization Act which grants tribal courts the right to exercise their sovereign power to prosecute those who commit acts of domestic violence in Indian Country And this November the President announced the State Local and Tribal Leaders Task Force on Climate Preparedness and Resilience The task force comprised of tribal officials along with national state and local authorities advises the Federal government on key actions it can take to support local preparedness to the impacts of climate change The Administration s commitment to tribal consultation and collaboration has led to substantial policy achievements and a much improved partnership with tribes While much progress has been made the President recognizes that we have much more work to do The President and his Administration look forward to working with tribal leaders to advance Indian issues through executive actions that result in meaningful and lasting change in Indian Country The President also looks forward to making a trip to Indian Country in 2014 a commitment made during the Tribal Nations Conference Plenary Session in response to overwhelming tribal requests *Federal Register* , 2013-11 *Living with Climate Change* Jane A. Bullock, George D. Haddow, Kim S. Haddow, Damon P. Coppola, 2017-08-02 The climate has changed and communities across America are living with the consequences rapid sea level rise multi state wildfires heat waves and enduring drought *Living with Climate Change How Communities Are Surviving and Thriving in a Changing Climate* details the steps cities are taking now to protect lives and businesses to reduce their vulnerability and to adapt and make themselves more resilient The authors included in this book have been directly involved in the successful design and implementation of community based adaptation and resilience programs **The Use and Abuse of Police Power in America** Gina Robertiello, 2017-05-12 Providing a timely and much needed investigation of how U S law enforcement carries out its public safety and crime fighting

mandates this book is an invaluable resource for students educators and concerned citizens Does America face an epidemic of police officers abusing their powers and disregarding constitutional rights especially in communities of color Or are such accusations unfair especially given the enormous challenges of enforcing the law in 21st century America This book provides a unique frame of reference for understanding how some of the issues between the police and the public emerged identifying events that have shaped current relationships between the police and the public as well as the public s expectations and perceptions of the police An authoritative resource for understanding modern law enforcement and its relationship with American communities this volume addresses subjects including the legal underpinnings of various law enforcement actions and practices the so called militarization of police departments the increased use of force and surveillance to combat crime and terrorism and to generally keep the peace and the perspectives of Black Lives Matter activists and other critics of American law enforcement The entries provide readers with expert analysis of current topics related to the intensifying debate about the American police state examine the scope of law enforcement issues that have existed for centuries and explain why they continue to exist and cover new mandates for exercising police power enabling readers to critically analyze what is presented to them in the media Included throughout the book are excerpts from important laws speeches reports and studies pertaining to the subject of the use and abuse of police power in the United States

Environmental Governance for Sustainable Development Uma Nabhi,2023-04-10 This book studies the role of the United Nations Environment Programme UNEP as an advocate for greater environmental responsibility and analyses the major achievements and outcomes of two landmark conferences Stockholm 1972 and Rio 1992 which set the agenda for the future role of the UNEP It discusses the UNEP s evolution objectives and the problems of differing perspectives within its ability to deal with environmental challenges its skill in successfully carrying out the mandate and contributing to the pursuit of environmental security The book also looks at five developing countries of South Asia namely India Bangladesh Nepal Pakistan and Sri Lanka to study the role of the South Asia Co operative Environment Programme SACEP which plays an active role in the management of environmental issues and constitutes an important landmark in regional cooperation in South Asia The author evaluates the contributions of National Conservation Strategies not only in creating environmental awareness but also in strengthening environmental governance architecture by integrating Millennium Development Goals and Sustainable Development Goals into the development planning of these South Asian countries under study Drawing on in depth research and interviews this book will be of interest to students teachers researchers policymakers and strategic analysts working in the fields of environment studies sustainable development environmental science and policy environmental law and governance geography politics and international affairs
