## **Classroom Behavior Essay**

**Instructions: Copy word for word on a piece of lined paper.**

I am copying this essay because I made a choice. I make choices everyday and these choices have consequences. Good choices have good consequences. Poor choices have poor consequences. I know that when I am talkative, disruptive, rude, or disrespectful, I not only interfere with my education but my classmates, teacher, and friends.

I will choose not to talk in class, when told not to. I will choose to not throw things in class. I will choose to not disturb others around me. I will choose to keep my head up and follow the instructions of my teacher. I will choose to not speak or make sounds until my teacher says so. I will choose to be respectful at all times to my classmates and teacher.

I understand what I am supposed to do in my class. I know and understand what is meant by appropriate behavior. I choose not to practice appropriate behavior this week. I am now writing this essay. This is the choice I made when not following my teachers expectations.

My teacher chooses to provide me with an educational opportunity everyday because she wants me to meet the goals of the state and within the classroom. When I choose to refuse to practice appropriate behavior, I am not able to meet these goals. I also keep others who care about their education from being able to meet these goals.

I will choose to practice appropriate behavior at all times, because I want to be successful. I also respect the learning of others. I will choose to come to class prepared to work each day and will choose to obey rules and procedures. I will choose to follow class rules and behaviors because I know it is the right thing to do.
