HELPING STUDENTS WITH DISABILITIES DEVELOP SOCIAL SKILLS, ACADEMIC LANGUAGE AND LITERACY THROUGH LITERATURE

STORIES, VIGNETTES, AND OTHER ACTIVITIES Duran, Elva, Gonzales, Rachael, Park, Hyun-Sook, 2016-12-05 This social skills manual will present to teachers and parents lesson plans complete with literature stories vignettes and other activities to help students with disabilities develop social skills in all their environments The general skills and social skills at work are presented within detailed lesson plans that place emphasis on the vocabulary and the different lesson plan objectives that are

essential to each lesson These generic skills will enhance an individual's ability to access social contexts in which healthy engagement can occur and improve the ability to cope with challenging tasks that are encountered in daily living The diversity of instructional techniques used to facilitate content mastery include guided and differentiated instruction modeling facilitating analysis and reflection of situations involving the appropriate and inappropriate use of key skills presentation and discussion of positive and negative consequences of each skill independent learning and connecting lessons learned to the central idea of the skills being taught These strategies are arranged in a logical order wherein the material mastered via one technique builds upon prior ones and provides a context for the next one in the instructional sequence In most cases it seems highly likely that students who are led through this sequence could not fail to acquire important information about understanding and applying these skills to their own lives This important new resource will enable professionals to be more effective in assisting students with disabilities in negotiating the many challenges in making the transition from school to the world of adult living

Middle and High School Teaching James A. DuPlass, James A.

Duplass, 2006 Middle and High School Teaching Methods Standards and Best Practices is an interactive textbook that is fully integrated with PowerPoint slides, a web site, assessments to meet NCATE and INTASC standards and basal secondary level textbook chapters for each of the content areas. The text includes a chapter on standards history, current issues and strategies for each of the major content areas: English, Mathematics, Science, Social Studies, World Languages, Fine and Performing Arts, and Physical and Health education. Providing unique coverage for differentiated instruction at the college level, the text integrates standards and methods for general and specific subject matter by drawing on professional education association web sites covering traditional methods topics and providing authentic assignments. The text is ideal for courses in secondary general methods curriculum and instruction, introduction to teaching or for the first course of a two part sequence in specific methods. Web based resources including PDF copies of middle and high school basal textbook content, lesson planning templates, ERIC documents for current issues and PowerPoint slides for each chapter enable professors to easily choreograph their instruction for classes of mixed majors or single major and courses of varying size that may be taught completely or partly online. The book and its ancillary materials scaffold the learning experience by presenting topics in a logical sequence beginning with an introduction to the challenges of the profession followed by differences between middle schools and high schools, basic skills across the curriculum, approaches to teaching diverse learners, planning methods and assessment and concluding with trends, standards and differences between the disciplines. Instructors can choose from and modify more than 100 authentic assignments which are tied to NCATE and INTASC standards ranging from interviewing middle school students to creating lesson plans. In addition, special emphasis is placed on such topics as motivation theory and techniques for diverse learners and integrating basic skills and literacy into subject field planning and instruction. Straightforward, easily readable and concise, the text is organized into compact topics rather than dense chapters and includes a Best Practices feature which engages students in reading their textbook. Authentic content chapters from middle and high school textbooks are available at the web site, downloadable PDF copies of basal textbook chapters from McDougal Littell across the subject areas enable students to apply methods learned from the textbook's lesson planning activities and assignments. More than 100 potential assignments. Instructors can select and modify presented assignments to best suit their students and course needs. Each assignment is tied to an INTASC or NCATE standard for ease of documentation or portfolio development. Coverage and integration of key national standards. The book integrates The Interstate New Teacher Assessment and Support Consortium INTASC standards, The National Council for Accreditation of Teacher Education NCATE standards, The Goals 2000 legislation, The No Child Left Behind legislation and the content standards defined by the professional organizations into a coherent structure for preservice teachers. Practical pedagogy. Supportive features include Teacher's Tips boxes with practical ideas and strategies for the classroom, Question boxes to encourage critical thinking, For the Reflective Practitioner quotes and insights, authentic Assignments, lists of Best Practices and web resources.
