

## 5<sup>th</sup> Grade Book Report Format

### Introduction (2-3 sentences, including a "topic" sentence)

#### Include:

- The title (underlined) and author of the book
- Why you chose the book (if this applies) or how it fits into our history program this year (if this applies).
- What kind of story is it?
  - o **Fiction** (made up): Fantasy, Science fiction, Realistic fiction, Historical fiction, Mystery, or Traditional Literature (folktale, myth, fable, fairytale)?
  - o **Non-Fiction** (true): Narrative nonfiction, Biography, Expository nonfiction, or Informational?

### Body (1-2 paragraphs supporting topic and including the following):

In this section you want to describe the main parts of a story: theme, setting, characters, and plot (not necessarily in that order - paragraph 1). Then you give your opinions about the book (paragraph 2).

**The Theme** is the main idea of the story. Some examples might be the importance of friendship/hope/honesty/integrity/etc. or how to be courageous in a difficult situation. Tell what you think the theme is and how you know (example from the book).

**The Setting** is the time and place of the story. Is it set a long time ago or now? Does it take place in another country or in an imaginary place? How much time passes in the story – a day? a year? A lifetime?

**The Characters** are who the story is about. The main character is called the protagonist. Who are the other important characters? Do they help or hinder the protagonist?

**The Plot** is what happens. You want to briefly tell what the story is about. What is the main event or conflict? What things lead up to it? What happens as a result? How does the story end?

*Be careful not to re-tell the whole story in detail – you want room in your report to write about other things; instead, just say enough about it to demonstrate you read/understand the book, and so the rest of your report will make sense. One paragraph should be about right!*

Once you have summarized the book, you can **tell what you think about it!** Select 2-3 questions from below to answer with examples/supporting reasons from the book:
