Whittington, 2001-12-26 The classic Wiley CPA Examination review. Published annually in December, this comprehensive four volume study guide for the Certified Public Accountant's CPA Exam arms readers with detailed outlines and study guidelines plus skill building problems and solutions that help them to identify, focus on, and master the specific topics that need the most work. Many of the practice questions are taken from previous exams and care was taken to ensure that they cover all the information candidates need to master in order to pass the Uniform CPA Examination. Featuring a unique modular structure, these CPA study guides review materials and combine over 230 AICPA content specifications into a series of forty-four related modules. By combining and relating topics, the books help build knowledge in a logical, self-reinforcing way so as to foster a level of understanding beyond that achieved through rote memorization. *...
