Applying At Unisa For 2016:

Handbook of Open Universities Around the World Sanjaya Mishra, Santosh Panda, 2025-06-27 The Handbook of Open Universities Around the World is the first collection to provide a comprehensive and critical overview of open universities internationally Over 80 open universities have been established across five continents to provide a distance orientated class inclusive and high quality education for learners left behind by existing formal systems for higher and continuing education and lifelong learning This mission has been continually reshaped by major developments in open education learning technologies and online social networking as well as by the evolution of specific concerns such as the massification of education employability financial trends artificial intelligence and development agendas on the regional national and global levels This landmark volume analyzes and reflects on the planning organization management pedagogic skilling and employability and accreditation dimensions of 47 open universities in relation to their national and institutional contexts the internationalization of education and the integration of advanced learning technologies Featuring contributions by internationally recognized scholars practitioners and educational administrators this authoritative resource provides insights into the business model finances operations instructional systems enrollment patterns learner supports quality assurance professional development and more of today s open universities Through historical trajectories institutional profiles case studies lessons learned and best practices this book provides rich analytical perspectives on the status and challenges of single mode distance learning universities as an educational phenomenon while unpacking the premise of openness itself This Handbook is primarily written for planners managers administrators instructional designers and teaching faculty at single mode distance teaching universities who are seeking to sustain their institutions in a period of rapid change government policymakers training organizations technology providers and education think tanks who are in need of authentic and research based information on technology enabled learning modeled by open universities around the world and graduate students teaching faculty and scholars who are affiliated with online and distance education learning design and technology higher education planning and management adult education and lifelong learning and education policy and future studies Chapter 54 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license Watch a stimulating discussion between the book s volume editors and Sir John Daniel and Professor Stephen Murgatroyd on YouTube [Trends in E-learning](#) Mahmut Sinecen, 2018-08-01 This book presents a collection of different researches and results on e learning The chapters cover the deficiencies requirements advantages and disadvantages of e learning and distance learning So the authors reported their research and analysis results on e learning according to their areas of expertise *Sustainable Development Goals for Society Vol. 2* Godwell Nhamo, David Chikodzi, Kaitano Dube, 2021-06-26 This book profiles various cases that are emerging in addressing global challenges in the context of SDGs for society in the era of climate change and

covers case studies of projects being undertaken to tackle biodiversity food security climate change energy and water security The book is written by 37 authors and will appeal to various stakeholders including academics working within the identified thematic areas policy planners development agencies governments and United Nations agencies The adoption of the Sustainable Development Goals SDGs in 2015 ushered a new era in the global development agenda as the world transitioned from the Millennium Development Goals MDGs The new era of SDGs that are all inclusive unlike the MDGs with the focus now being on ensuring human success that is predicated on environmental protection The year 2020 marked five years post the adoption of the SDGs with increased calls for stock taking of progress made amid strong calls for a decade of action to accelerate the delivery of the SDGs by 2030 These calls have been louder now given the impact of the COVID 19 pandemic which reset the global economy and increased intensity of extreme weather events across the world Since climate change has emerged as one of the biggest threats to the achievement of the SDGs there has been growing concerns on its impact on biodiversity loss and the extinction of some species There are also concerns regarding increased food insecurity at the household level in some parts of the world particularly in Asia and Africa With the demand for climate change action on the increase there have also been growing calls for the big carbon emitters to drastically cut their emissions and invest in clean energy to save the planet by following development pathways making emissions stay under the 1.5°C increase in temperature

Sustainable Development Goals for Society Vol. 1 Godwell Nhamo, Muchaiteyi Togo, Kaitano Dube, 2021-06-16 Written by 43 authors from Africa Europe and Latin America this book presents 19 topics addressing poverty in the context of Sustainable Development Goals SDGs leadership in implementing SDGs and SDGs in service delivery and local government As the world has gone past five years of implementing the 2030 Agenda for Sustainable Development and the intertwined 17 SDGs new opportunities in research continue to open up Hence documenting some of the initiatives put in place around the world regarding the implementation of the SDGs is one of the aims of this publication With 10 years remaining the book further enhances the desire to scale up SDGs implementation The selection of case studies from the selected regions also provides a balance in terms of how the SDGs are being rolled out for economic growth environmental stewardship and social protection The ambition remains even with the challenge brought by the COVID 19 pandemic that preoccupied the whole of 2020 spilling over to 2021 There is no doubt that resources have been diverted but the world must stay on the course to 2030 and beyond Therefore the book is relevant for several stakeholders including the academics development partners government officials and other individuals that are involved in making sure no one is left behind in the lead to 2030
