## Division for Academic Development and Support (ADS)

Division: CAT  
V Etenozo

The ADS Division interacts with other divisions within the UJ faculties in order to augment their projects.

As an example, in the previous year, a joint intervention for the Krugersburg Correctional Services project was held with the Department of Industrial Psychology (offered a session on Basic principles of project management) and PsyCAD (offered session on Job Preparation). The division would like to engage in research on the engagement with communities, but this is still a process that will take time.

## DIVISION-BASED PROJECTS
