## **Adventist Isaiah Study Guide:**

A Simple Guide to the Book of Isaiah Jeff Scoggins,2017-12-11 Do the writings of the Old Testament prophets seem unrelated to modern life Would you read them more carefully if you recognized they still speak even today Learn how Old Testament prophecy informs us about earth s last days Discover how end time prophecy particularly the book of Revelation is illuminated by the writings of the prophet Isaiah This verse by verse devotional walks you through the book of Isaiah and leaves you astonished by God s unrelenting efforts to reconcile us to Himself even today *What Every Seventh-Day Adventist Should Know About the Shepherd'S Rod* Garrick D. Augustus,2018-08-09 If you are a Seventh day Adventist Christian you have no doubt heard of The Shepherd s Rod a message of present truth and reform first presented to leaders of the Seventh day Adventist Church in the years 1929 and 1930 It has created much controversy In What Every Seventh day Adventist Should Know about The Shepherd s Rod author Garrick D Augustus brings to light the historic and the theological reasons behind the rejection of The Shepherd s Rod message It exposes the systematic misinformation as well as the willful manipulations of the facts surrounding Victor Houteff and the movement he began more than eight decades ago It provides clear and accurate answers to the questions raised against the Rod s message And it answers the objections church leaders have historically offered as proof against its bearing the credentials of inspiration Augustus fused the forensic methods of evidence analytics as well as the investigative method of internal evidence analysis to the claims brought against the message by the leaders of the Seventh day Adventist Church His research took him from the Heritage Library in Loma Linda California to The Biblical Research Committee in Silver Spring Maryland and beyond What Every Seventh day Adventist Should Know about The Shepherd s Rod journeys through the pages of history and helps to separate truth from propaganda It takes a fresh look at an old controversy that began in eternity past and has played itself out in the rank and file of Seventh day Adventism **Adventist Review** ,2008-07 **The Seventh-Day Adventist Bible Commentary: Isaiah to Malachi**

Francis David Nichol,1953 **The Gospel In The Setting Of End-Time Events** Leonard Philps Tolhurst,2022-06-09 Since the beginning Seventh day Adventists have developed a high interest in Bible prophecy In addition to studying end time events early Seventh day Adventists also focused on studying and teaching distinguished doctrines such as the Second Coming the sanctuary the state of the dead the three angels messages the Sabbath and the Ten Commandments Only after the 1888 Minneapolis General Conference did Seventh day Adventists start to give attention to the important truth of righteousness by faith This very teaching which almost split the church in 1888 has been a reason for debate and theological controversy This book was written because understanding righteousness by faith and the end time events are essential for every believer Pastor Leonard Tolhurst devotes several chapters to clearly outline what righteousness by faith is and what it is not He also addresses some difficult topics such as the human nature of Christ A person s view on whether Jesus had a sinful or sinless nature determines to a large extent his or her understanding of righteousness by faith Some chapters deal

with the 2 300 day prophecy of Daniel and their interpretations by futurists and preterists The second half of the book focuses on end time events the three angels messages the latter rain the sealing Armageddon among others It ends with the Second Coming and the millennium Each chapter is filled with Bible texts Ellen G White quotes and a list of Supportive Sources for further study The book is a tremendous resource for Bible teachers ministers and church members

**Manna:Aha,Aha.The Narwhals Have Arrived!The Story of the 144,000 Living Saints on the Move.** Judith Williams,2022-05-10 This type of Manna is clearly a big surprise to all as the events that have been occurring in our world have a totally different meaning under the lens of Inspiration     **The Elephant in the Room** Sadrail Saint-Ulysse PhD MDiv,2022-04-12 I write this book to do something that most would consider unwise as a current employee of the Seventh day Adventist Church I call or appeal for systematic change change in policies that have kept the financial support from tithe and other sources to Adventist elementary and other sources to Adventist schools at minimal Please don t think of me as a brave one who dares to go where many have not gone before I am not I speak out because we need policy changes at every level Fairness is not giving everyone the same thing but to give each person what he or she needs to succeed Many businesses are rethinking how to move forward post the pandemic We too as a church need to do the same In the Old Testament God instructed his people to pass on their faith to their children by intentionally teaching them God s statutes and commandments Deuteronomy 6 4 8 and Isaiah 54 13 Similarly the Christian Church receives its marching orders from Jesus in the Great Commission found in Matthew 28 16 20 Jesus directs the church to make disciples of all nations by baptizing and teaching Church schools are needed to partner with parents and the church as a whole to educate children Ellen G White cofounder of the Seventh day Adventist Church who earlier encouraged the Seventh day Church to focus on foreign missions stated in addressing church schools in the book Testimonies for the Church volume 6 that the children are not to be neglected She writes We cannot call ourselves true missionaries if we neglect those at our very doors who are at the most critical age and who need our aid to secure knowledge and experience that will fit them for the service of God Her solution to financing church schools is simple Let all share the expense Enrollment in Christian elementary and secondary schools have been dropping nationwide Many families in North America especially new immigrant families are not able to afford the tuition to send their children to church schools Several church schools have closed In this book Dr Sadrail Saint Ulysse an ordained minister and educator of the Seventh day Adventist Church addresses the challenges of operating Christian schools at the elementary and secondary levels after serving for nearly twenty five years as a pastor and educator with the hope that the burden of operating church schools can be shared by the entire church local state national and worldwide to alleviate this burden The book challenges parents teachers principals school boards church members and church leaders at every level to make the needed policy changes to ensure that church schools are financed in a sustainable manner     **Isaiah Study Guide** Nellie E. Culture,1999 **Isaiah** Alfred Martin,1992 Dead River to Living Water Tommy Poole,2023-04-18 Will you love her honor her and cherish her for as long as you both shall live Tommy assented to this question not once not twice but three times And each time he stood before the same woman Follow his story as he journeys from the Dead River swamp of South Georgia through the muddy waters of a sin filled life as a rebellious teen a disrespectful son an arrogant US Marine an unfaithful husband and an absent father until in desperation and on realizing his need for more than human help he cried out to God You will be inspired as his story unfolds Just as the Samaritan woman at Jacob s well received a drink of Jesus s living water changing everything for her so it was for Tommy Poole A life of sin being overcome by God s abundant amazing grace and love and then the incredible joy of experiencing human forgiveness that comes after which could only be the fruit of the Savior s example all lead to a life of service in ministry for his Redeemer Tommy journals how the voyage from this life s dead river to living water is possible for everyone Comments from Pastor Gary Moyer VP for Administration Executive Secretary of

the Caroline Conference If you need encouragement that God is able to turn your life around for the better you need to read this book This is one of those easy compelling reads I found hard to put down I ve known Tommy for years but never knew the whole amazing story Wow Comments from Thomas T Hardy Director and Speaker of the Layman s Guidepost LLC What an amazing testimony Absolutely amazing I love the river water allegory and how it remains consistent throughout the book The opening scene at the kitchen table is incredibly powerful It drew me in immediately Your early years were so intensely challenging with so many distinctive experiences This story is something a lot of people will not be able to put down once they get started It is almost like a movie Your raw honesty is very earthly and real making your references to the spiritual concepts more voracious for the consumption of the reader I love it The impelling motives you give the reader at the end of most chapters kept me wanting more Yet the horrors of the alcoholic demon that overshadowed your life gave me great insight about and empathy for your struggle Pastor This is good stuff Both interesting and spiritually compelling this book grips the reader from the outset with scenes of gritty fallen humanity inspired and transformed by the living waters cascading from the throne of God The reader is invited to relive the journey of a man caught in the throes of the fallen nature being miraculously lifted up by the hands of Jesus Christ from His cross Thank you so much for allowing me the privilege of reviewing this book It has been a personal blessing to me in my faith walk and I am sure that it will be a blessing to every soul who reads it    **Bible Study Questions on the Book of Isaiah** David E Pratte,2014-06-05 This is a workbook on the book of Isaiah It was designed for use in Bible classes family study or personal study The class book material is suitable for teens or adults Questions in the lessons contain minimal human commentary but instead guide students to study to understand Scripture Enough questions are included for teachers to assign as many questions as they want for each study session The course assignments may proceed at whatever speed and depth will best accomplish the needs of the students
