Spanish Literacy Centers:

Lessons from a Dual Language Bilingual School Tatyana Kleyn, Victoria Hunt, Alcira Jaar, Rebeca Madrigal, Consuelo Villegas, 2024-08-13 This edited book showcases the successes and challenges of starting and growing a fully bilingual school. Reflecting on the first 10 years of Dos Puentes Elementary School in New York City, it explores the evolution of the school through its four founding pillars: 1. bilingualism, biliteracy, and multiculturalism; 2. families as partners, leaders, and advocates; 3. investigations and hands-on learning; and 4. partnerships with universities, organizations, and the community. The chapter authors include families, teachers, school administrators, and university partners, centering the voices of those directly involved in the school community and highlighting key moments in the life of the school. At the end of each chapter, researcher commentary contextualizes these experiences within the wider literature and discusses implications and next steps for the field of bilingual education. This book will be of interest to pre and in-service teachers and school administrators, particularly those looking to develop bilingual programs in their own context.

Rethinking Mexican Indigenismo

Stephen E. Lewis, 2018-05-01 Mexico's National Indigenist Institute (INI) was at the vanguard of hemispheric indigenismo from 1951 through the mid 1970s, thanks to the innovative development projects that were first introduced at its pilot Tseltal-Tsotsil Coordinating Center in highland Chiapas. This book traces how indigenista innovation gave way to stagnation as local opposition shifted national priorities and waning financial support took their toll. After 1970, indigenismo may have served the populist aims of president Luis Echeverría, but Mexican anthropologists, indigenistas, and the indigenous themselves increasingly challenged INI theory and practice and rendered them obsolete.

Designing Effective Literacy Centers for the Kindergarten Classroom - Spanish

Region IV Education Service Center, 2006-08-01 **The Literacy Center** Lesley Mandel Morrow, 2002 The value of small group instruction cannot be emphasized enough, but many teachers have found it difficult to manage, especially when class sizes remain large. Here is practical, theoretically sound guidance for language arts teachers from pre-K through grade 5 who want help setting up literacy-rich classrooms that support guided reading or other small group teaching. This new edition of The Literacy Center provides meaningful activities that extend small group instruction in both comprehension and word study. Like the popular first edition, this updated handbook is teacher friendly. Clear suggestions for each center, together with charts, diagrams, black line masters, and photographs, help implement a real work place for young learners. Supported by Dr. Morrow's extensive research in motivation theory and exemplary instruction, here are sound ideas that engage students collaboratively and independently. You can spend time teaching small groups of students, attending to their individual needs, all the while knowing the rest of your class will be independently engaged in real learning. The book is divided into two distinct parts. The first section gives the research background and rationale for using literacy centers. It provides the tools for thoughtful design and use of centers, along with helpful hints on how best to motivate students. The second section provides activities for modeling literature to interest

children in reading in social collaborative settings These activities are designed to foster the development of comprehension skills and strategies through the use of children s literature The book gives equal time to the development of word study skills such as phonemic awareness and phonics with manipulative materials to ensure fluent reading Included are smart suggestions for introducing centers management ideas black line masters ways to foster student collaboration and cooperation ways to assess students center work and suggestions for promoting student accountability a completely new section on word study phonics and phonemic awareness practical and effective suggestions for family involvement The Literacy Center can help you develop your students enthusiasm for reading and writing It is perfect for introducing pre service teachers to classrooms that are literacy rich and purposeful as well as for continuing staff development for classroom teachers who are seeking better ways to engage students in reading and writing Designing Effective Literacy Centers for the First Grade Classroom - Spanish Region IV Education Service Center,2006-08-01 **Literacy Centers for the Primary Classroom** Caroline Jackson Blakemore,1999 Modeled Shared and Guided Reading Activities Come to Life This valuable resource is designed to give K 3 children at the emergent and early reading levels purposeful yet playful activities that relate to the modeled shared and guided reading books used in the classroom Activities featured are organized into six centers that form a critical part of a balanced literacy approach Letter Play Center Word Play Center Sentence Play Center Oral Language Center Writing Center Reading Center *Handbook of Reading Research* Michael L. Kamil,Peter B. Mosenthal,P. David Pearson,Rebecca Barr,2014-04-08 In Volume III as in Volumes I and II the classic topics of reading are included from vocabulary and comprehension to reading instruction in the classroom and in addition each contributor was asked to include a brief history that chronicles the legacies within each of the volume s many topics However on the whole Volume III is not about tradition Rather it explores the verges of reading research between the time Volume II was published in 1991 and the research conducted after this date The editors identified two broad themes as representing the myriad of verges that have emerged since Volumes I and II were published 1 broadening the definition of reading and 2 broadening the reading research program The particulars of these new themes and topics are addressed **Resources in Education** ,1978-10
