Library, 1940 **The WPA Guide to New Jersey** Federal Writers' Project, 2013-10-31 During the 1930s in the United States the Works Progress Administration developed the Federal Writers Project to support writers and artists while making a national effort to document the country's shared history and culture The American Guide series consists of individual guides to each of the states Little known authors many of whom would later become celebrated literary figures were commissioned to write these important books John Steinbeck Saul Bellow Zora Neale Hurston and Ralph Ellison are among the more than 6 000 writers editors historians and researchers who documented this celebration of local histories Photographs drawings driving tours detailed descriptions of towns and rich cultural details exhibit each state's unique flavor The Granite State has a rich history and varied landscape beautifully presented in the WPA Guide to New Hampshire The driving tours highlight the White Mountains Lake Winnepesaukee and the coast near Portsmouth This New Hampshire guide also has traditional photographs of churches landscapes and colonial houses which give readers a feel for life in New England in the early 20th century **The Old York Road and Its Stage Coach Days** Emogene Dymock Van Sickle, 1937 **The WPA Guide to 1930's New Jersey**, 1986 War on Crime revises the history of the New Deal transformation and suggests a new model for political history one which recognizes that cultural phenomena and the political realm produce between them an idea of the state The war on crime was fought with guns and pens movies and legislation radio and government hearings All of these methods illuminate this period of state transformation and perceptions of that emergent state in the years of the first New Deal The creation of G men and gangsters as cultural heroes in this period not only explores the Depression era obsession with crime and celebrity but it also lends insight on how citizens understood a nation undergoing large political and social changes Anxieties about crime today have become a familiar route for the creation of new government agencies and the extension of state authority It is important to remember the original war on crime in the 1930s and the opportunities it afforded to New Dealers and established bureaucrats like J Edgar Hoover as scholars grapple with the ways states assert influence over populations local authority and party politics while they pursue goals such as reducing popular violence and protecting private property
