no easy answers to suffering That the mark of true faith is not happiness but rather having one's deepest passions be engaged by the enormity of God And through Job we learn the secret of the gospel that mercy is the permission to be human The Lord never gave Job an explanation for all he had been through His only answer was Himself But as Job discovered that was enough The Gospel According to Job sensitively brings the reader to this realization using a devotional commentary format that reminds them that it's all right to doubt to be confused to wonder in short to be completely human But what will heal us and help us endure is a direct transforming encounter with the living God     [American Book Publishing Record](#)
