Regular review exercises, including past paper questions, consolidate learning and help students to prepare for assessment. Non-calculator questions are clearly flagged so students can feel confident when approaching this type of question in their final examinations. Numerical answers to all questions are available free on www.hoddereducation.com/cambridgeextras. Worked solutions for the review exercises are available in the Boost eBook Teacher edition. An editable three-year scheme of work and weekly planner is available free on www.hoddereducation.com/cambridgeextras.
