*Dealing with Bribery and Corruption in International Commercial Arbitration* Emmanuel Obiora Igbokwe, 2023-01-10

International Arbitration Law Library Volume 65 International commercial arbitration is by no means free from bribery and corruption Although a plethora of legal scholarship clearly affirms this contention a thorough study on the particularly important question of the authority and duty of international commercial arbitrators to investigate a suspicion or indication of bribery or corruption sua sponte that is on their own initiative has been surprisingly lacking This important book fills this gap inter alia by locating sua sponte authority in the position of arbitral tribunals in establishing the facts of a case and ascertaining and applying the applicable normative standards In addition to providing a comprehensive examination of how the issue of bribery and corruption is dealt with in contemporary international commercial arbitration the book also highlights the role of arbitrators in global efforts to combat transnational commercial bribery and corruption Among others the following critical issues are thoroughly investigated arbitrability of issues of public interests intermediary contracts role of arbitrators in the fact finding process party autonomy versus overriding mandatory rules iura novit curia in international commercial arbitration in the context of bribery and corruption notion of transnational or truly international public policy arbitrators duty to act as guardians of international commerce investigative tools available to arbitrators dealing with manifestly recalcitrant parties possible consequences of violating the obligation to sua sponte investigate and

the view from developing countries The analysis leans primarily on Swiss law as Switzerland is one of the most important jurisdictions in international commercial arbitration Switzerland has also been involved in some of the most famous and controversial arbitration cases wherein bribery and corruption became an issue However the study also includes a comparative analysis of the relevant laws jurisprudence and doctrine of other major arbitration venues particularly England France and Germany Not only in the light it sheds on how and whether international commercial arbitrators have hitherto justified the trust States have placed in them regarding the protection of the public interests but also in the practical solutions it offers arbitrators faced with issues of bribery and corruption this deeply researched book equips arbitration practitioners and arbitration institutions with a hitherto lacking in depth analysis on the question of sua sponte investigation It also provides invaluable insights on how this issue might affect the future legitimacy and expansion of this dispute settlement mechanism Outside the field of arbitration the book also provides jurists legal scholars in house counsel for companies doing transnational business and public officials with highly enlightening perspectives on the interaction between international commercial arbitration and public interests Leadership Behaviours for Effective Policing Mark

Kilgallon, Martin Wright, 2025-02-28 An essential handbook of policing leadership behavioural skills for both professional police officers and policing students aspiring to join the force The behaviours examined are of relevance to all ranks and roles from a newly appointed police constable to an executive officer Behavioural soft skills are essential to effective policing practice and professional development and are particularly significant in leadership and management roles This handbook examines the key leadership behaviours and focuses on discreet aspects within policing as well as describing a career timeline In addition it provides a unique opportunity for leaders to articulate the effects the Covid 19 pandemic has had on law enforcement examining the impact on policing behaviours and what the blockages are Each chapter is written by a well established serving police leader or policing scholar bringing together a wealth of experience and understanding and applying this knowledge in context through key case studies and examples It bridges the gap between theory and practice so readers can apply what they have learnt to their policing roles and effectively formulate and describe their own leadership philosophy and style This is a companion book to Behavioural Skills for Effective Policing **New York City Traffic**
