Wheelwright, 2001 This text has been written for a course in technology and innovation. It covers contemporary research by using a combination of text readings and cases. Based on reviewer response to a survey, the authors have updated many of the cases that instructors found outdated or lacking. Classic cases such as Claire McCloud have been kept while newer cases such as Intel Corporation in 1999 have been added. There is also a strong set of readings from sources such as Harvard Business Review, California Management Review and Sloan Management Review.
