

The background of the image is a photograph of a vast field of sunflowers. The flowers are in various stages of bloom, with many showing bright yellow petals and dark brown centers. The field stretches to a horizon line. Above the horizon, the sky is a deep, dramatic blue, filled with white, jagged, branching clouds that resemble lightning bolts or fractal patterns. A small, solid yellow rectangular box is positioned in the upper left area of the sky.

Meteorology Lab Manual:

Explorations in Meteorology Kenneth C. Crawford, Oklahoma Climatological Survey, 2005-03 Developed by the Oklahoma Climatological Survey OCS research and service facility in concert with the University of Oklahoma EXPLORATIONS IN METEORLOGY places a strong emphasis on helping students understand weather and climate by using real meteorological data. The activities in this lab manual require that students tap into the OCS archives of meteorological data in order to complete meteorological exercises. Full color pictures and data graphs help students visually understand weather and severe weather topics. The lab manual also challenges students by providing optional questions intended for honors students making this lab manual appropriate for both introductory and honors meteorology courses
