Teacher's Wraparound Edition: The Biology Everyday Experience Albert Kaskel, 1994-04-19 **What's the Least I Can Believe and Still Be a Christian? New Edition with Study Guide** Martin Thielen, 2013-02-13 Pastor and author Martin Thielen has compiled a list of ten things people need to believe and ten things they don't in order to be a Christian. This lively and engaging book will be a help to seekers as well as a comfort to believers who may find themselves questioning some of the assumptions they grew up with. With an accessible storytelling style that's grounded in solid biblical scholarship, Thielen shows how Christians don't need to believe that sinners will be left behind to burn in hell or that it's heresy to believe in evolution. And while we must always take the Bible seriously, we don't always have to take it literally. At the same time, Christians do need to believe in Jesus' life, his teachings, his death and resurrection, and his vision for the world. A great benefit of those beliefs is that they provide promising answers to life's most profound questions, including: Where is God? What matters most? What brings fulfillment? What about suffering? Is there hope? Thielen articulates centrist mainline Christianity in a way that's fresh and easy to understand and offers authentic Christian insights that speak to our deepest needs. This new edition includes a leader's guide previously only available online and a new introduction from the author that reflects on the book's reception. The leader's guide features unique and easily implemented aids for carrying out a seven-week congregation-wide initiative that will help local churches reach out to their communities.
