Another Time Another Place Hyla B. Garlen, 2001-04-12 Victoria a time traveler must find someone to send back to the 14th century to retrieve an amulet without which she cannot survive She finds Laura a computer programmer who has been working on a virtual reality program that takes place in a 14th century castle With no time to really prepare her Victoria sends Laura back Here she encounters refugees from the plague and an omnipotent Lord who wants to marry her off The book brings to life a medieval world and the people in it where there are no real clocks no privacy and the concept of human rights is unknown To Laura the world around her is as alien as life would be on a distant star Constantly on her guard she can only hope that Victoria realizes her plight and send help before it s too late *Another Time, Another Place* Gordon E. Jenkins, 2003-05-07 Two young people one white and one deemed black products of their environment separated by the rigid inhumane caste system of the Jim Crow South meet by chance bond and begin a forbidden relationship which nurtures and grows even when they attempt to terminate it knowing the potential consequences if they are discovered As they secretly flaunt the laws and traditions of the day they aggressively pursue their individual ambitions to escape the equally binding economic shackles As their commitment to each other becomes stronger they become bolder and challenge the status quo in ways that cannot be ignored by the power structure Their actions coupled with fate trigger unforeseen events with tragic consequences **Another Time, Another Place** Mary Verdict, 2013-04-03 Phoebe Fox is desperately unhappy when she flunks her audition at the School of American Ballet in New York but agrees to help her great aunt Weezy drive from Santa Fe to Denver When they stop at a hot springs resort she meets Cody Moon a blue eyed charmer who works there and they fall deeply in love and share five blissful days But Cody has a sister Wynonna who raised him and has no intention of giving him up Phoebe realizes it s hopeless and as they continue on to Denver Weezy tells her of her own lost love during World War Two with a young soldier named Mickey McGuire and why she s still haunted by the fact that she never knew what happened to him Was he killed in action or caught and tortured by the Nazis In Denver they meet Franny Phoebe s older sister who has left her doctor husband and is living with a cook with whom she s just had a baby They also spend time with Weezy s older sister Jenna who resents the fact that her once poor as a church mouse baby sister is now a woman of means and in the course of time a long kept family secret is finally revealed Also a mysterious white rose found on her pillow brings Weezy an unexpected peace and on the ride home they run into Cody again A mesmerizing tale of two loves two generations apart yet eerily similar in their hopes and intensity *Another Time . . .
