Capasso, John C. Daresh, 2001 Plan, conduct and evaluate effective internship experiences. School administration internships are a central ingredient in any preservice program and they can be very effective if they are well organized and well designed. Capasso and Daresh have created a blueprint for an effective internship program that can turn preservice administrators into transformational leaders, not simply organizational survivors. The School Administrator Internship Handbook is written for the intern to both understand the internship program and the roles of all of the participants in the program. The book helps the intern self-assess leadership ability, challenge one's commitment to the field, become a reflective practitioner and collaborate with the field mentor and the university faculty member to make the internship a rich and valuable experience. Internship directors will find that the handbook addresses them as well, providing opportunities to assess students' abilities to take theory to practice, develop community outreach programs and assess the effectiveness of the entire preservice program. And mentors will get a clear understanding of their role in facilitating the intern's experience. Other key topics include Examining current practices, Establishing goals and objectives, Defining internship standards, Preparing project proposals, Developing leadership skills, Understanding the roles of the participants, Evaluating and assessing the participants and the program, Moving beyond the internship. Finally, an effective blueprint for preservice programs. This practical guide is designed for everyone involved in the school administrator internship, especially the men and women who will be stepping into assistant principalships, principalships and other administrative roles. Ronald L. Capasso is currently an Associate Professor of Educational Leadership at Rowan University, Glassboro, New Jersey. He has spent 30 years in public school education, having served twelve years as a superintendent of schools in Pennsville, New Jersey, and five years as an Assistant Superintendent of Schools in Ramsey, New Jersey.
