Answer Key For Plato Learning English 10:

Socratic Wisdom : The Model of Knowledge in Plato's Early Dialogues Hugh H. Benson Professor of Philosophy University of Oklahoma, 2000-01-05 While the early Platonic dialogues have often been explored and appreciated for their ethical content this is the first book devoted solely to the epistemology of Plato's early dialogues Author Hugh H Benson argues that the characteristic features of these dialogues Socrates method of questions and answers elenchos his fascination with definition his professions of ignorance and his thesis that virtue is knowledge are decidedly epistemological In this thoughtful study Benson uncovers the model of knowledge that underlies these distinctively Socratic views What emerges is unfamiliar yet closer to a contemporary conception of scientific understanding than ordinary knowledge

Arguments for Learning Bill Cope, Walter Feinberg, 2025-03-11 Almost every educational idea worth a thought has been considered at the University of Illinois and anything worth trying has been tested In this history of ideas Bill Cope and Walter Feinberg chronicle the intellectual lives of education thinkers at the university while tracking the development of educational ideas and practices in general Cope and Feinberg draw on conversations narratives and archival research that reveal how different generations explored their role in defining and carrying out the College's multifaceted mission Their account raises critical questions about the character of learning the aims of teaching and the nature of teaching as a profession At the same time the authors address issues that range from the role of schools in fostering individual and collective identity to the introduction of computer mediated and online learning Cope and Feinberg examine changes in self understanding about fundamental ideas and chart how the College evolved from its original narrow mission of training children's schoolteachers to embracing global perspectives A wide ranging portrait of an institution Arguments for Learning uses the School of Education to tell the stories of thinkers dedicated to the idea that education can change the world for the better
