Who says that daughters cannot be heroic Once upon a time history was written by men for men and about men Women were deemed less important their letters destroyed their stories ignored Not any more This is the story of women who went to war women who stopped war and women who stayed at home The rulers The fighters The activists The writers This is the story of Wu Zetian who as Chinese Emperor helped to spread Buddhism in China This is the story of Genghis Khan s powerful daughters who ruled his empire for him This is the story of Christine de Pizan one of the earliest feminist writers This is the story of Victoria Woodhull who ran for president before she could even vote for one This is the story of the world with the women put back in *Her Story* Charlotte S. Waisman,Jill S. Tietjen,2008-04

Her Story is a vivid documentation of the breadth and diversity of American women s achievements throughout U S history This one of a kind illustrated timeline highlights the awesome varied and often unrecognized contributions of American women since the 1500s There have been women trailblazers throughout American history women have had a profound impact on the intellectual social and political development of our society But many of their contributions have gone unnoticed Most people have heard of Susan B Anthony Harriet Tubman Margaret Sanger and Eleanor Roosevelt But did you know that a woman microbiologist discovered the bacterium responsible for undulant fever which then led to the pasteurization of all milk Or that a woman patented the paper bag folding machine to make square bottom bags the grocery bag Or that a female mathematician s work laid the foundation for abstract algebra The women featured in Her Story range from writers artists actors and athletes to doctors scientists social and political activists educators and inventors and include

women of all backgrounds and philosophies The authors of Her Story Charlotte S Waisman and Jill S Tietjen have compiled an extraordinary collection of women and events that provides a unique view of history Part of Her Story's distinctiveness is the inclusion of hundreds of lesser known women from all walks of life who have broken barriers and created paths of noteworthy and inspiring achievement In her Foreword to the book Madeleine Albright comments Spanning the centuries from 1587 this book will allow women and men to become more aware of and informed about the women who have been instrumental in giving us the quality of life we enjoy today Often stepping outside of the expected modes of behavior for women during their lives the profiled women were the pioneers for their causes their professions or their passions Their accomplishments have advanced the arts the sciences politics and business The timeline also includes snapshots of events and organizations that have shaped women's experiences and women's history and thereby the culture and history of America The familiar and unfamiliar stories that unfold here from Elizabeth Cady Stanton and the women's rights convention in Seneca Falls to chemist Stephanie Kwolek's invention of Kevlar the synthetic fiber used to make bulletproof vests make Her Story a captivating look at champions that will resonate with women and men alike
